“What I appreciate most about Lisa and her team is the way they professionally handle my projects. They are grace under pressure, from the shoot through post-production. I’ve always known that, when left to their own talent and expertise, my finished piece is going to be better than I ever imagined.”

- Karen Carrera, APR, Vice President, Communications and Marketing, SHW Group

“Lisa Jenkins and the team at DreamFly Productions produce truly extraordinary films that make them a critical part of our marketing firm’s offerings. Whether our clients need a commercial shoot, a music video, an industrial or anything in between –both in the studio or on location – DreamFly has always delivered.”

- Tammy Cancela Davis, President, The Marketing Connection

“I don’t know if I have properly thanked you for the really delightful experience of working with you. Everything was done professionally in an efficient and pleasant manner. We enjoyed ourselves from beginning to end. You and your entire crew...really worked hard to deliver a product that we are proud of.”

- Pauline Graivier, Founder, Verbal Communications, Inc.
